£1 5s. per Sabbath's services; Harwich, 15s.; Goderich about 15s. (Stipend £11 18s.); Warwick and Adelaide, no definite

" has been £6,425 15s. 5d; and there has been expended " £4,050 12s. 10d., and on "Church Property" On these items severally there has been a great increase of income, for example, upwards of £1050; on that of £1,200; and on "Church Property," more "General Fund" there have been raised £76 6s. 6½d.; and "Presbytery Funds," £54 2s. 1½d.; for "Synod's" £10d.; and for "General Missions," £225 7s. 0½d. There has been a falling off for the past year. In the returns for the year ending December, 1884, less than one pound to each member, this year 1885.

Let it be remarked, that these general results do not present the actual state of the Church; for, in many instances, full returns have not been made—a circumstance which is much to be regretted, and which it is highly desirable that Presbyteries should remedy in future; and again, we are able to compare only with a year, the returns for which were imperfect. Sufficient evidence, however, is afforded, that the United Presbyterian Church in Canada is prospering; and while we breathe the prayer, upon taking this retrospect, "Establish thou the work of our hands upon us, yea, the work of our hands establish thou it,"—let the success with which God has blessed, and is still blessing the labors of his servants, stimulate them to renewed zeal and activity in unfolding and bearing forward the banner, which God has given them to display in the cause of truth.
